To whom it may concern,

All Gave Some, Inc. is hosting a virtual race October 24, 2018 through November 7, 2018 to raise funds in support for our mission. This will be our third race and the event continues to grow. While in prior years it was a physical race, this year we opted for a virtual experience to allow for a bigger audience. It really is the best of both worlds as participants can take part from anywhere and anytime during the race window. It fits the physical level of many as the race can be completed walking, jogging or running.

Having company sponsors are an integral part of putting on a successful event and we would love for you to consider partnering with us. Our Tax ID information is below if this is needed for your organization. We will provide you with a donation receipt for tax purposes. The best part is that we offer complimentary race registrations to our sponsors based on their sponsor level. This way your employees can participate in the event supporting their overall health and well-being while promoting a group activity and supporting a good cause. Please see below for sponsorship levels. Thank you for your consideration.

Best regards,

Margit Roberts
